SLIM FIT

- Sleeve tighter and more precurved
- Chest tighter and more precurved
- Leg tighter and more precurved

The fit has been designed as a second skin to ensure perfect aerodynamics and ensure maximum safety. The SLIM FIT, thanks to the anatomical cuts offers maximum performance when assuming the RACE position.

SLIM FIT
USE

REGULAR FIT

- Sleeve more comfortable and less precurved
- Longer chest and not precurved
- Leg more comfortable and less precurved

The fit has been designed to achieve the right compromise between COMFORT and performance. The REGULAR FIT, in fact offers the right abundance to use the suit even in less sporting situations.

REGULAR FIT
USE

COMFORT FIT

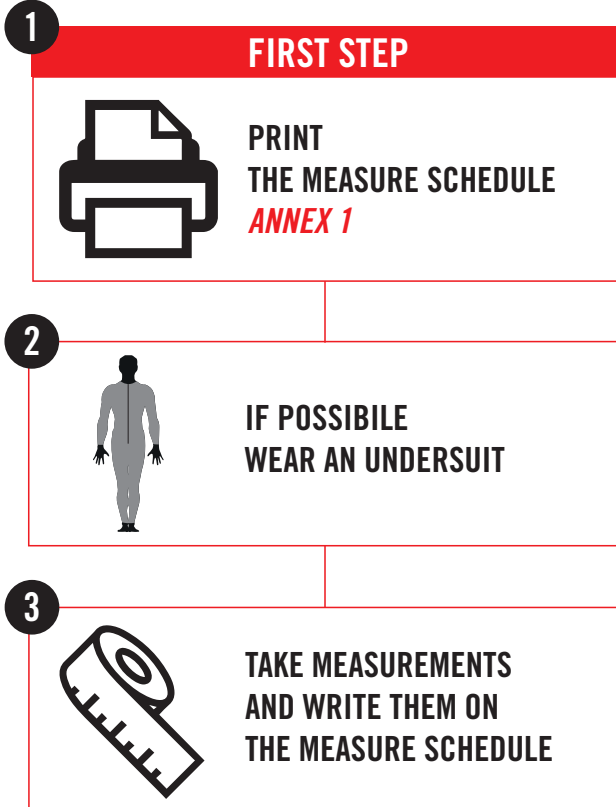

- Sleeve more comfortable and straight
- Wider chest and not precurved
- Leg more comfortable and straight

The fit has been designed to get the best COMFORT even dropped from the bike. COMFORT FIT, in fact offers more abundances for a purely tourist use.
